VOLUME 40

Times of '78

Eager to realize a togetherness

That must be left forever

Untouched;

We pause to remember

The good times before movin'

On to —

Enjoy, enjoy, ENJOY!!!

When you're down and troubled,

And you need some love and care,

All you have to do is call,

And I'll be there — yes I will,

You've got a friend!!!

We must have room to be alone,

to let our close-kept thoughts run free;

For what is today without time

to wonder,

And what is tomorrow without a dream?

Time filled
With joy and pleasure,
Silver nights
Of love and cheer,
Cherished memories
To treasure;
These are the moments
Made to share.

JUNIOR PROM — MARCH 25, 1977

Good times and lasting love,

That you will share together

With the ones you're fondest of —

The promise of a year

Where everything goes well with you

And those you hold most dear.

GO
U
STANGS!

#1 B.S.L.

With the Pep, Action, Fire and Steam;

Norwood leads, a first rate team!!!

Who pulled the fire alarm this time?

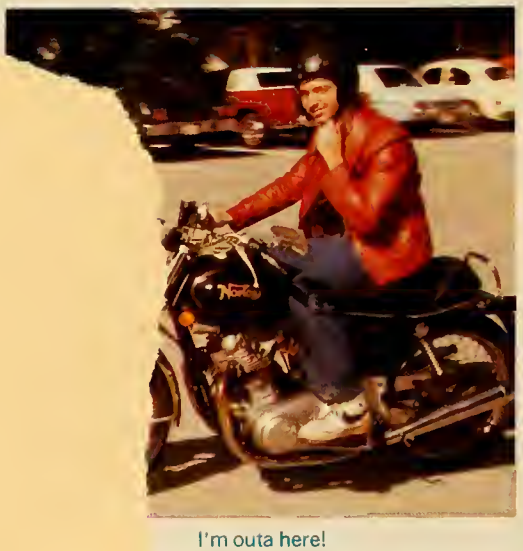
I flunked!!

What a hunk!!

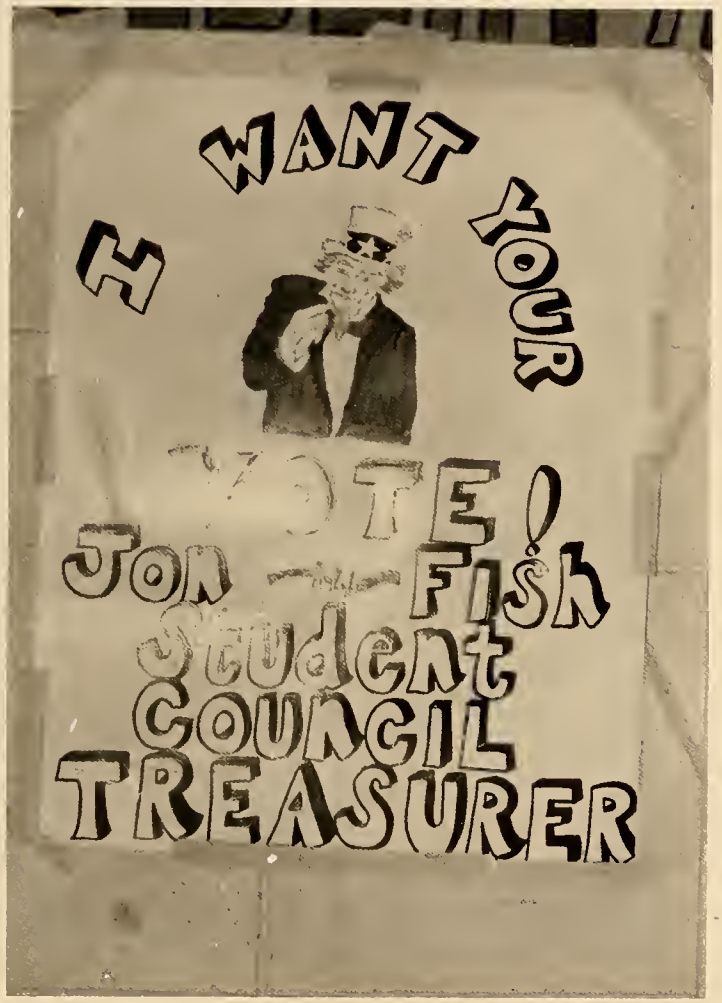
Hey, what are social events for?!

What's your act?

School gossip!



I'm outa here!



ELECTION '77

May you always walk in sunshine and God's love around you flow, for the happiness you gave us, no one will ever know. It broke our hearts to lose you, but you did not go alone; a part of us went with you, the day God called you home. A million times we've needed you. A million times we've cried. If love could only have saved you, you never would have died.

STUDENT LIFE

MATH DEPARTMENT

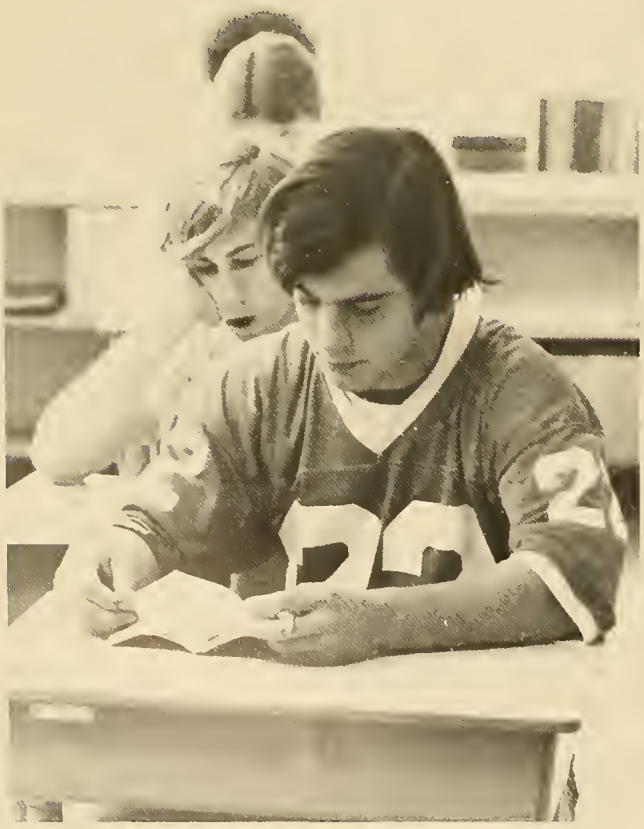
In addition to traditional math, the NHS math department offers college courses in algebra, trigonometry and calculus. Along with the computer, many new programs have been added to the department. Undoubtedly, this will be of great help to aspiring students.

SCIENCE DEPARTMENT

The wide variety of science courses offered at Norwood High gives the student an opportunity to discover and to pursue his own interests. From introductory to more advanced levels, the student is allowed to choose a program which suits his own desires and needs. The science department at NHS has, indeed, created an atmosphere of discovery and learning in which a student can prepare himself for future goals.

ENGLISH DEPARTMENT

This year all College Preparatory juniors and seniors were required to take Expository Writing or Advanced Expository Writing. They spent much time in the library researching and writing term papers. Other students studied Basic Skills or Creative Writing. These writing courses have proved to be very successful and are helpful in other endeavors.



SOCIAL STUDIES DEPARTMENT

The social studies department is very diverse at NHS. This year, for the first time, A.P. History is being offered to interested seniors. For those students more interested in the modern aspect of social studies, courses in psychology and sociology are offered. Also, every year a group of students goes to Washington, D.C., on a Close-Up program in order to learn more about American government. Every student can certainly find some area of social studies which interests him.

BUSINESS DEPARTMENT

The exciting and challenging field of business is one that many NHS students choose to enter. Those who have taken the business courses will be well-prepared for their careers. NHS offers introductory and advanced courses in typing, shorthand, bookkeeping, business law, and many other areas of business. Offered as well are courses for those who do not wish to continue in business but who desire certain fundamental skills.

FOREIGN LANGUAGE DEPARTMENT

In the everchanging world of today, one cannot forget the importance of communication between different nations. The foreign language department at NHS provides the necessary foundation of French, German, Spanish, and Latin through the use of class work and audio lessons in the lab. When this is combined with a background of literature, a student gains insight into the language and culture of a different nation.

PHYSICAL EDUCATION DEPARTMENT

Physical Education is an important part of each student's high school education. In the gyms, students engage in games of basketball, volleyball, floor hockey, and even modern dance; the school fields are used for baseball, softball, and archery. "Gym" at NHS is always an invigorating class.

HOME ECONOMICS AND INDUSTRIAL ARTS

Home Economics and Industrial Arts are both practical skills. Many girls take Home Economics to learn skills which they may use in later life. Others will be entering the field of nutrition or will become home economists.

Industrial Arts are also practical skills in which students develop interests leading to a vocation. Many continue onto vocational school while others use their knowledge just to pursue a hobby.

ART DEPARTMENT

The Art Department at NHS offers a wide range of courses for interested students. The projects vary from clay figures and pen and ink drawings to silk screening. Although some students go on to careers in art, many participate for their own enjoyment.

MUSIC DEPARTMENT

To many, the town of Norwood and the music department are synonymous. This is due to the achievements of our state championship marching band, as well as the other fine instrumental and vocal groups here at the high school. Our music department allows the student numerous ways to develop and utilize musical talents. Those involved find it rewarding and enjoyable.

SEMI FORMAL

Look to this day!
For it is life, the very life of life . . .
For yesterday is already a dream, and
tomorrow is only a vision;
But today, well lived, makes every
yesterday
A dream of happiness, and every
tomorrow a vision of hope.

STUDENT COUNCIL HAS SUCCESSFUL YEAR

This year's Student Council was successful in all its projects. Under the leadership of John Monbouquette, the Student Council tried its best to make the school year more enjoyable for the graduating class. They were also successful in helping out in community affairs. This year was truly memorable. We wish to extend our thanks to Mr. Usevich for all the time he spent advising us.

TIOT

Through the concerted effort of the entire staff, we have created what we feel is the best yearbook yet. The "TIOT '78" attempts to incorporate those scholastic, social, and athletic events which have been important to all students who attend our "school on the hill." Hopefully, when high school days are just a pleasant memory, we can turn to this book and relive the happy times and remember old friends and favorite teachers.

Mrs. Ingraham, our advisor, and Mr. Parker, our business advisor, have been of insurmountable help. Without their fine judgment and gentle prodding, this yearbook would not have been possible. So, we simply say, "Thank you."

Finally, we would like to express our gratitude to the TIOT staff. The "eight period crew" stayed remarkably cheerful and energetic throughout the worst of last minute deadlines. It is because of their willingness to devote the time and effort that the production of the yearbook succeeded so well.

FOOTBALL TEAM HAS UNBELIEVABLE YEAR!!!

The Norwood High School football team of 1977 was laughed at by its opponents before the season started. Lack of size was supposed to cause many headaches for football geniuses Coach John Doherty, Coach Jack Martinelli, Coach George Putnam, and Coach Joe Mooney. Unfortunately these opponents overlooked the Mustang's physical strength and, most of all, the biggest element — what they had in their hearts. The team spent the last week of August at LaSallette Fathers in Enfield, N.H., working hard. A scrimmage against Watertown, MA, set the tone for the season. Norwood, although outsized, walked its way to a decisive victory over Watertown.

The opening season began with a thrilling victory over Waltham. This night game ended with Cris Collins booting a field goal which made the score 9-8. The victorious season had just begun with an outstanding defense leading the way. Norwood's high point was blocking its arch-rival Walpole at the 6-inch line and denying the Rebels four consecutive times. The defensive squad ended with an amazing 2.4 average points allowed per game.

Then came the best game of all: The Division I Superbowl against Arlington with defensive tackle Dennis Clifford, defensive backs John Chisholm and Dan Kennndy, linebackers Joe McDonough and Joe Lynch, and all the rest pulling the team through. A total of 60 men pulled together to win a heart stopping 14-8 victory, becoming Division I Champions. John Salvatore and Paul Memmo galloped behind the blocking of Steve "Bubba" Brown and Jimmy Donoghue while the defense stopped Division I player of the year, Peter Lavery. The climax just had to be when the Arlington quarterback was stopped on the Norwood 3 yard line by Joe Lynch, John McDonough, Dan Kennedy, and nose tackle Marty Morrisey.

The game ended with fans rushing onto Boston College's Alumni Stadium to mob the undefeated championship team. Out came laughs, smiles, tears of joy, and congratulations as defensive coordinator Jack Martinelli cried out, "This is **unbelievable!!!**"

CHEERLEADERS KEEP THE SPIRIT

No school is complete without its cheerleaders. This year's squad, headed by Ellen Cleary and Patty McGuire, faithfully kept the school spirit rolling.

They showed up at every game neatly dressed and ready to go. The credit is equally given to the J.V. squad, headed by Julie Costello.

These girls gave a lot of time, hard work, and sacrifice! We can not thank them enough and wish them continuing success!

Once Again for the BSL Crown!

The Mustang Indoor Track Team again captured the BSL Crown. Last year's record was 8-1 while this year's team went undefeated at 9-0. The team was led by tri-captains Marty Kelly, Danny Gearty, and Larry O'Brien. The fight for the championship against Dedham ended in the relay with a blazing effort from Marty Kelly, Tim Murray, Steve Sweeney, and Dan Gearty; they held off a Dedham runner for a quarter mile to take the title 44-42. The 5th place finish was highlighted by Marty Kelly's breaking the school record in the mile in 430.4, coming in 3rd; and Steve Sweeney's breaking the thousand record in 2.23.3, also coming in third. Brian Donovan captured a third in the High Jump while Dan Gearty captured a 5th in the 600. Finally, the school record was broken by the relay team in the State Coaches' meet.

Girls Achieve Perfect Record

The Norwood Girls' Basketball Team achieved a perfect record this year of 18-0. This makes it two years in a row that the girls have captured the BSL title.

The girls were coached by Giles B. Parker and were led by Co-Capts. Beth Gilmore and Jacqui Troiani, who were both selected to be on the BSL All-Star Team. Senior Connie Bamber, Juniors Colleen Mahan and Dianne Maloney, and Sophomore Lisa Troiani rounded off the starting line-up and were key factors in the undefeated season. The rest of the team's strength came from Seniors Melinda Wong, Eileen Rogers, Barbara Malacarea and Jean Cotton; and Juniors Lisa Kelliher and Mary McCusker.

The J.V. team also had a very successful season with a 15-3 record.

In the tournament the girls won the South Division Championship and went on to play in the Eastern Mass. finals.

Mr. Nolet Retires

The Mustangs ended the season with a record of 7-9. Highlights of the season were double wins over Dedham and Natick.

Chris Collins was greatly missed due to a knee injury. The team would like to thank Mr. Nolet for all his hard work and dedication. This is Mr. Nolet's last year coaching Varsity Basketball.

Hockey Team Goes Undefeated

The Norwood High '77-'78 Hockey Team recorded a remarkable undefeated season, capturing the Bay State League crown. Under the fine coaching of Don Wheeler, Al Crowell, and first year coach Tom Smelstor, the Mustangs compiled a sensational 16-0-1 record. Tri-capts. Tom Kewriga, John Balerna, and Chris Scales provided excellent leadership on this year's team. Outstanding goaltending was turned in by Scott Fiske throughout the year, and he was later awarded the Bay State League M.V.P. Jon Fish, Tom Kewriga and Scott Fiske represented Norwood on this year's Bay State League ALL-STARS. Offensively, Norwood was the second highest scoring team in the league and was scored upon the least number of times. Overall, the team's great success was due to a complete team effort.

AIN'T IT THE TRUTH
IT'S THE DRIVER

It isn't the car that begins to whine when forced to stop at an old stop sign — it's the driver.
It isn't the car that will take a drink then quickly lose its power to think — it's the driver.
It isn't the car that fails to heed the dangers of reckless, discourteous speed — it's the driver.
It isn't the car that steps on the gas and causes an accident, trying to pass — it's the driver.
A car may be bent and twisted awry, but it isn't the car that will have to die — it's the driver.

FIREFIGHTER'S PRAYER
by James J. Medcalfe

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life. Whatever be its age . . . Help me embrace a little child before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

For every dream that fades away a new one grows.
When things are not what they would seem
you must follow your dream.
So while my heart is still believing I'll say good-bye.

OLD DAYS

Old days, good times I remember,
fun days, filled with simple pleasure,
drive-in movies, comic books and
blue jeans,
Howdy Doody, baseball cards and
birthdays.
Take me back to a world gone away.
Memories seem like yesterday.

Old days, good times I remember,
gold days, days I'll always treasure,
funny faces, full of love and laughter.
Funny places, summer nights and
street cars.
Take me back to a world gone away.
Childhood memories seem like
yesterday.

Old days, on my mind and in my
heart to stay.
Old days, darkened dreams of good
times gone away.
Old days, days of love and feeling
fancy free.
Old days, days of magic still so
close to me.
